

## 517 Line Tubo LED

### Características / Characteristics

Estética impresionante, de instalación colgante o empotrada.

*Awesome aesthetics, for pendant or recessed installation.*

Luminaria con tubo LED para ser instalada de manera colgante o empotrada en diversos tipos de cielos. Su diseño estilizado y angosto la hace ideal para aquellas áreas donde se requiere una iluminación eficiente que aporte un efecto decorativo al ambiente donde se utilice.

*Fixture for pendant or recessed installation in different types of ceilings. Its narrow and stylish design makes it ideal for those areas where efficient lighting is required, in order to provide a decorative effect to the room where it's used.*

Disponible con batería de emergencia para 1 tubo.

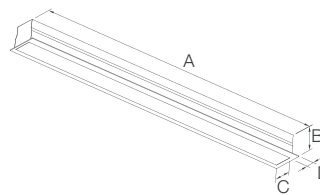

*Available with emergency battery for 1 tube.*
